

Dear Host Family,

My name is Louise and I am 17 years old. I live in a small town called Posieux, in the French speaking part of Switzerland. The nearest city is Fribourg (this is where I study) and Bern, the capital of Switzerland, is 30 minutes away from my home. My mother tongue is French, but I am learning German, English and Spanish.

I have a little sister, Emma. She is 15 years old. She likes gymnastics and sewing clothes. She is very creative! My dad, Martin, is an engineer and my mom, Christine, is a teacher. We all enjoy travelling and discovering new countries and cultures. We have also two (very cute but very lazy) cats: Pistache and Nirvana.

I am currently studying in a high school called the Collège Saint-Michel. It is very old; it was founded in 1582! I study a bunch of different subjects, my favourites being Biology, English, Spanish and Philosophy. I have not decided what I will do after high school yet, but Medicine or Biology studies would be very interesting.

Apart from school, I dance a lot (between 17 and 20 hours a week). I do ballet, contemporary, jazz and character dance. Dance has been a good opportunity for me to travel: I took dance classes in Cannes (South of France) last summer. It has also helped me with English, since dance classes are often given in English.

If I am not dancing, I am probably watching TV series, spending time with friends or reading a book.

A huge **THANK YOU** for welcoming me into your home during the next summer. I am looking forward to meet you and to know more about you!

Greetings from Switzerland,

Louise
